A character with fox ears and a scarf is running towards the viewer. They are wearing a dark tunic and a light-colored scarf. The background is filled with motion lines and stylized lightning bolts, suggesting speed and action.

I WON'T
REST UNTIL
I EAT MY
HONEY
CANDY...!

Two characters are shown climbing a web. The character on the right is a man with a goatee, looking up with a determined expression. The character on the left is the fox-eared character from the previous panel, looking up and smiling. They are both holding onto the web with their hands.

HIRO, THE
WEBS ARE
ROUGH AND
THICK; EASY
TO CLIMB.
